FREQUENTLY ASKED QUESTIONS

HOW LONG AFTER OUR SESSION ARE THE PHOTOS READY?

Your photos are selected, edited, and given the final touches personally by me. I oversee the quality and output of each and every image. Because of this, it takes me between 7-14 days to make sure your photos are top quality.

HOW MANY PHOTOS DO WILL I BE ABLE TO VIEW AFTER OUR SESSION?

This really depends on how much we photographed during your session but on average I showcase about 50 to 100 photos (sometimes more if your session was multi-family).

I WANT YOU TO TAKE OUR PORTRAITS, HOW CAN I SET THAT UP?

Great! Let's do it! I send a PayPal invoice for the 50% reservation fee prior to our session and the remaining balance is paid through PayPal again after our session. This way it's all secure, safe, and easy.

HOW CAN I SEE THE PHOTOS AFTER OUR SESSION IF WE GO BACK HOME AFTER OUR SESSION?

If we don't have the time to do an in-person preview, your images are uploaded onto a personalized online gallery where you can view and purchase wall portraits, legacy photo products, and individual digital images.

HOW WILL YOU SHIP THE PRODUCTS THAT I PURCHASE?

All of your legacy products are shipped via dropship either FedEx or USPS. It can take 7-10 days for the package to get to you and you can track it with the unique tracking number that I will send you.

OKAY, YOUR PRODUCTS ARE BEAUTIFUL BUT THEY'RE A LITTLE PRICEY, DO YOU OFFER PAYMENT PLANS?

Yes! I love getting beautiful, top-quality professional photo products into your hands, on your walls, and everywhere you want to be able to appreciate them.

Payment plans are available and you'll only need 25% to get your products. The rest is charged automatically in four additional payments via PayPal. You will need to leave me a debit or credit card number to set up the payment plan.

I do not share personal information with anyone and this is the most secure form of payment.

WHAT IF I BUY GIFTS FOR OTHERS, DO YOU SHIP DIRECTLY TO THEM?

Gifts are perfect for birthdays and holidays and we do ship anywhere in the world so you don't have to worry about doing that at all. Just order and let me know where you want to send the gift and to whom.

I WOULD LOVE TO HAVE YOU HELP ME CHOOSE THE RIGHT PRODUCTS, CAN WE DO A PERSONALIZED PREVIEW SESSION EVEN IF I'M FAR AWAY?

I would love to help you get the right products for your home! We can do a personalized Skype preview session of your photos so that you don't even have to leave your home. Skype gives me the option of sharing my screen with you so we can view the photos, see really amazing products, and get all the great items right to your door.

CAN I ORDER PRODUCTS OF OUR PHOTOS LONG AFTER OUR SESSION?

Of course! You can always get beautiful items from our catalog at any time after our session. Which makes it really easy and perfect for birthdays, grandparents day, or holidays and special occasions. Just send me an email to reactivate your gallery and we'll get your legacy products to you when you need them!

I REALLY WANT DIGITAL FILES OF MY PHOTOS, DO YOU OFFER THAT?

In addition to the digital files in the package that you purchased, you will be able to purchase additional digital files from your personalized online gallery in high resolution. They are sold individually. If you would like to purchase the entire gallery, please send me a quick email and I can give you the pricing for your gallery of images.

IS THE ONLINE GALLERY PRIVATE OR PUBLIC?

It can be public or private! You have the option to hide images as well as letting me know if you would like to put a password to secure your gallery. Each gallery has a unique link so getting access can only be by invitation.

I'M LOOKING FOR A VERY SPECIFIC PRODUCT WOULD YOU BE ABLE TO HELP ME?

I work with the top professional photography labs in the world and would love to help you get exactly what you're looking for. Send me an email so we can get exactly what you need with your beautiful photographs!

IF I DON'T WANT YOU TO USE MY PHOTOS FOR PROMO, IS THAT ALLOWED?

While I hold the copyright to all of the photos that I take, respecting your privacy and requests is my top priority. If this is something that you want, I have no problem keeping your photos private for only your eyes.

Just let me know before or during our session so I don't accidentally leak out a sneak preview, which I normally a couple of days after a session.
